

# OOTM Parking Plan

- Parking lots will open at 6 a.m. and will be filled systematically, one at a time to ensure all space is utilized (A then B then C then D).
- All vehicles will flow through the Traffic Control Point (TCP) located on 12<sup>th</sup> Street. From there they will be directed to the appropriate parking lot.
- If a vehicle has handicap tags, please alert the TCP and they will insure it is directed to handicap parking.
- If a trailer needs to drop off equipment, they tell the TCP where and they will be directed to that location. After they drop off equipment, they are to exit the parking lot and proceed to the trailer parking in the D Parking Lot.
- Please maximize carpooling. Parking is limited.
- Food Trucks parked to North of Main Building

# Logistics

- Food Trucks will be on site to provide different food options
  - Scooping dreams
  - One stop food truck
  - A & W BBQ, Seafood and more
  - Nutra Truck (Healthy Options)

\*menus on next slides

- All drinks and snacks will be \$1- \$1.50 (Cash only) sold by Mulberry JROTC in the student union. We will have a wide variety of drinks and snacks.
- Tents and shelters may be put up on the drill field just south of building 16 (JROTC building) and behind the press box. No shelters on the football field please.
